Keeping up with HIE

The Oklahoma Health Care Authority Board and Governor Stitt have approved the proposed emergency rules to implement the statewide health information exchange.

The new rules include:

- Broad exemptions that allow any provider seeking an exemption to be granted one;
- Refined and added definitions;
- Clarification on required participation;
- Continued adherence to state and federal law regarding patient disclosure and consent;
- Defined fees, including participation fee, connection fee and grant funds to cover connection fees.
